Dear Parent/Carer

I am writing to offer you the opportunity for your child to have individual music lessons which will begin in the next few weeks. We employ professionally qualified staff who visit the school weekly to offer lessons to students. If an instrument is needed, we will supply that for students. The lessons available include woodwind, guitar, bass guitar, brass, strings, harp, piano/keyboard, singing and private dance lessons.

Research has consistently shown that students who commit to having additional music tuition throughout their school career achieve consistently higher results in their courses in the later years of their school career.

Students will receive at least a 20-minute lesson for 28 weeks of the school year. This tuition is partly funded by the school but we do ask for a parental contribution of £70 per term. If you pay for the full year upfront this is discounted to £180. **Payment for lessons is made strictly through the [Schoolcomms App](#). No Cash or Cheques can be accepted. Please note that lessons will not be able to commence until full payment has been received.**

If you wish to take advantage of this fantastic opportunity then you need to apply through the Microsoft form link here:

2. The payment request will be added to your App

Please note that lessons cannot begin until payment is made. If you have any questions please do not hesitate to ask.

Thank you for supporting your Son/Daughter in their studies.
