

20th May 2022

Dear Parent/Guardian

As you will be aware GCSE Examinations have now begun and we have been very impressed by the way our students have approached these. In order to support our students with their revision, formal lessons will continue until **Friday 10th June**. We expect that students will be in school until this date and will attend their current timetabled lessons. After the 10th June, students only need to attend for any examinations which they may have.

In addition to this, the exam board have also identified a number of 'contingency days' for subjects such as Science. This means that if a student contracts Covid and is unable to sit one of their Separate Science papers then there will be another opportunity to do this. The exam board have identified a number of days when these will take place so please be mindful of these.

The dates are:

Wednesday 22nd June

Thursday 23rd June

Wednesday 29th June

GCSE examination results will be released on **Thursday 25th August**. Students can come into school to collect these and further details will be provided nearer the time.

Can I take this opportunity to wish your child the very best of luck with their examinations and to thank you for your continued support.

Yours faithfully

Mrs G Murphy
