## SCHOOL UNIFORM POLICY

It is the policy of the school that all pupils should wear school uniform. This has the full support of the Governing Body. The Headteacher determines the standard of uniform that is expected in school and as such his decision in the application of this policy will be regarded as final.

The purpose of this policy is to ensure that the uniform is :

- Clearly understood
- Rigorously applied
- Reasonably priced.

In the event of any uncertainty in interpreting the policy parents are encouraged to contact School before purchasing the item.

### Student Uniform :

Black shoes without any logo designs are required (not canvas style pumps) and black trousers which are not jeans, canvas material, leggings or skin tight pants. To avoid confusion in the application of this policy and the interpretation of styles, the school recommends particular brands of uniform which are detailed in Appendix A.

One pair of stud earrings may be worn by pupils and pupils should not wear an excessive amount of make-up. The following items of jewellery and make up may not be worn in school:

- Bangles/bracelets
- 'Choker' type necklaces
- Nose Studs
- Large Earrings
- Any other piercings
- Nail Varnish
- Acrylic finger nails

All pupils are expected to wear their hair in a suitable way for school. Extremes of hair fashion including 'tram lines' and other patterned shaves are not allowed. Only natural coloured hair dyes will be permitted.

**Valuable Items :**

The school recognises that students will often wish to bring items of value, such as mobile phones, to school.

In such circumstances, the following code of conduct should be adhered to at all times :

- Students may use these devices during lunch and break times only.
- Students may be given permission by an individual teacher to use devices in a specific class for educational purposes only.
- At all other times devices (and associated equipment such as headphones) should be kept switched off in students' bags.
- If students use the device inappropriately, outside of the times listed or without a teacher's permission, they will have the item confiscated and we may request parents to collect them from the school.
- School will not be held responsible for the loss or damage of such items.
