Top Tips for Revision

- Read information on recommended websites, look at examples.
- Coursework and Exam preparation to be done each week. Practise practical skills each week – drawing, painting, photography, digital editing etc
- . Research for inspiration each week – add to mood boards

How Parents can Help

- Support effective time management.
- Ensuring preparation work is completed between lessons.
- Encouraging skills practice between lessons e.g. drawing and painting in sketchbooks. Gallery and museum visits.

e.g. on Pinterest to gather
