purchase from PW for £8

### **Top Tips for Revising Geography**

1. Revise key terms.
2. Create mind maps and revision mats.
3. Think of how you can add examples of actual businesses to revision notes to help understanding and develop answers.

### **How Parents can Help**

1. Discuss the news at home and how what is happening can impact businesses. ·
2. Discuss own jobs and workplaces to improve commercial awareness. ·
3. Test students on key terms
