Top Tips for Revising Geography

1. Set up a Revision Plan and Timetable
2. Utilise Online Resources
3. Practice Past Papers
4. Master Exam Techniques
5. Know Your Case Studies
6. Use Personalised Learning Checklists
7. Ask For Help and Advice.

How Parents can Help

1. Help them with planning · A little goes a long way – short
2. 20 min revision sessions with breaks in between ·
3. Create a quiet space to revise at home ·
4. Strike a balance – ensure free time and recreation time is factored in to any revision timetables
