Annwyl Riant/Warcheidwad,

Rwy'n ysgrifennu atoch i wahodd eich merch / mab i fynychu perfformiad o **Dizzy** ar ddydd Iau 17^{eg} Hydref. Dyma ddrama newydd a ysgrifennwyd ar gyfer pobl ifanc sydd ar hyn o bryd ar daith ledled y DU mewn theatrau ac ysgolion. Bydd y perfformiad yn digwydd yn ystod y diwrnod ysgol ac yn para am 50 munud. Mae hwn yn atodiad i gwricwlwm Celfyddydau Mynegiannol a Saesneg; rydym felly yn gofyn am gyfraniad gwirfoddol o £5 i dalu costau.

Mae **Dizzy** yn daith gyfareddol sy'n archwilio perthnasoedd teuluol, galar a'r cof, wedi'i hysgrifennu gan yr awdur arobryn Mohamed-Zain Dada.

Wedi i frawd hyn Qamar farw mewn damwain drasig, does dim byd yn ei bywyd yn gwneud synnwyr bellach. Yna mae'n cyfarfod â chyfaill a mentor ei brawd, Stax, yr artist graffiti drwg-enwog. Wrth iddo gyflwyno Qamar i fyd dirgel celf stryd, mae'n datrys cyfrinachau galar, cariad a byd tanddaearol cyfriniol o'r enw 'yr echelin'. Yn fuan, mae Qamar y cael ei hun ar daith o golled, atgofion, celf a rhwymau na ellir eu torri sy'n herio marwoldeb.

Wedi'i chreu trwy sgysiau gyda channoedd o bobl ifanc mewn ysgolion ledled y wlad, mae'r stori bwerus a gwreiddiol hon yn archwilio'r linell denau rhwng cofio a symud ymlaen. Antur ffantasi feiddgar o wreiddiol, wedi'i chreu gyda ac ar gyfer pobl ifanc.

Dear Parent/Guardian

I am writing to invite your daughter/ son to attend a performance of **Dizzy** on Thursday 17th October. This is a new play written for young people that is currently on tour across the UK in theatres and schools. The performance will take place during the school day and lasts for 50 minutes. This is a supplement to the Expressive Arts and English curriculum; we are therefore asking for a voluntary contribution of £5 to cover costs.

Dizzy is a captivating odyssey exploring family relationships, grief and memory, written by award-winning writer Mohamed-Zain Dada.

When 15-year-old Qamar's older brother dies in a tragic accident, nothing in her world makes sense anymore. Then she meets her brother's friend and mentor, Stax, the infamous graffiti artist. As he introduces Qamar to the clandestine world of street art, she unravels secrets of grief, love, and a mystical underground realm called 'the axis.' Soon Qamar finds herself on an odyssey of loss, memories, art, and unbreakable bonds that defy mortality.

Created through conversations with 100's of young people in schools across the country, this powerful original story explores the fine line between remembering and moving forward. A daringly original fantasy adventure, created with and for teenagers.
